Dear Mr. Bardwell:

Re: Approval of Permit Transfer & Replacement Reclamation
Surety, Tenneco Minerals Company (TMC) to TMC-Utah,
Goldstrike Mine, M/053/005, Washington County, Utah

On March 24, 1993, the Board of Oil, Gas and Mining (Board) approved of the amount and form of replacement surety posted by TMC-Utah for the Goldstrike Mine in Washington County, Utah. Board approval enables the Division to grant its final approval of the replacement Reclamation Contract and surety bond. We can now approve of the permit transfer document which formally transfers the approved Notice of Intention (NOI) from TMC to TMC-Utah.

I have attached copies of all signed documents for your files. Also enclosed are the original Reclamation Contracts and Surety Bonds _____ and # _____

which have been replaced by bond # [redacted] Thank you for your assistance and cooperation in finalizing this permitting action. Please contact me directly, if you have questions or require additional information in this matter.

Sincerely,

D. Wayne Hedberg
